Katia takes a black cock deep in her ass in the DVD *Chocolate Stuffed MILFs*. Georgette did her first interracial at 50PlusMILFs.com.

MOMS WHO TAKE BLACK COCK IN THEIR ASSES

Dear 40Something,

I write this letter with happiness I've never had before. The March '10 issue (Special #194) gave me hope that The SCORE Group has finally heard the pleas of many fans to give us what we have long asked for: more interracial action (black men with white women).

Kudos for wonderful pictorials of all the ladies in the issue. I truly enjoyed the column by Georgette Parks and hope her unfulfilled fantasy includes her friend Mandi McGraw, and, knowing Mandi's love for black cock, maybe a threesome with a black cock.

The pictorials of Mandi and Katia were the high points of this issue. I'm so happy that The SCORE Group has

finally featured MILFs fucking and sucking black cock once again. That these MILFs take black cock in the ass is even better. The tease photo of Mandi in "DateLine" was hot with that black cock deep in her ass. It's blowing my mind that this black-cock loving slut will soon be 70 years old. She has the body of a 30something with big, luscious tits, round, tight ass cheeks and a pussy made for licking.

"DateLine" also informed us that coming soon, Katia takes a big, black cock up her tight, 50something ass. I'm a huge fan of Georgette, but Katia has to be your best model ever, and with her love of black cock and anal sex, she is the complete package. The entire DVD *50Plus MILFs Anal Edition* is fantastic, but the stars are Katia, DeAnna

Bentley and Destiny Anne.

Thanks for a great issue, and thanks for letting us know that we can soon expect some hot interracial ass banging sex in the near future. I'm sure many will agree that the more interracial action you provide, the more we'll enjoy it.—W.V., Durham, North Carolina

Dear W.V.: Thanks for writing and for following up your letter in 40Something #196. In that issue, 69-year-old Valerie fucked a mega-hung black stud. And in this issue, 50something blonde hottie Julia takes a big, black cock in her tight ass.

Meanwhile at 50PlusMILFs.com, Georgette Parks has fucked her first black man. And in the inaugural edition of 50Plus MILFs magazine (see a preview beginning on page 82 of this issue), we take a sneak peak at the new DVD *Chocolate Stuffed MILFs*, then feature eight pages of Luna Azul fucking and sucking black cock.

Of course, we'll continue to feature all kinds of sex: interracial and non-interracial, three-ways, anal, cream pies and more. Because our MILFs do it all!

RUBY'S PICTURES SAY A THOUSAND WORDS

Dear 40Something,

You can imagine my surprise and delight when I opened the March '10 (#194) issue and saw Ruby, a lady who I've been penpals with for the past three years. Do not let her classic, Southern belle beauty fool you. Everything that she says about her sex drive and her genuine love of sex is true. She's also a very kinky lady whose mind is wide open to a variety of sexual variations.

I especially enjoyed the shots of Ruby's pretty pussy and her awesome ass. She was an exciting addition to your great magazine, and I would love to see her again. You made Ruby's fantasy come true, and Ruby made mine!

P.S.: Do Ruby's tan lines drive you nuts, or what?—M.B., Arlington, Texas

Dear M.B.: Yes, Ruby's tan lines do drive us crazy, which is why she makes her hardcore debut starting on page 90 of this issue's *International Editions*. Check out her tan lines while she's getting fucked in her ass upside-down! Now that's what Southern belles are all about!

THANKS TO RUBY, HE'S NOW A SUBSCRIBER!

Dear 40Something,

Your March '10 issue (#194) has the foxiest lady I have ever seen in your magazine. Her name is Ruby Thompson. She has the most captivating eyes, legs that you just wish you could feel wrapped around you, an ass you dream you could get both hands full of and the most beautiful, juicy-looking pink pussy I've ever seen. Because of her, I called and added 40Something to the list of magazines I already receive from you.—B.N., Alexandria, Virginia

DO YOU WANT TO SEE MILFS WITH DENTURES?

Dear 40Something,

The March '10 issue was hot! I really liked the new Georgette pics. Please keep it up!

I liked the letter in "Dateline" that J.L. sent you. I got so turned on by it. I hope she models for y'all very soon. Just the thought of her wearing her dentures gave me an ultra hard-on. Please show more older women like her, and if she does a layout, tell her to wear her dentures. Most of us truly want to see that.

Ruby is smoking, and her ass is nice and curvy, just the way I like it! I like her natural breasts.

THIS IS ADULT MATERIAL

All of the performers/models, and all of the characters that they portray, were over 18 years of age at the time of the photography. The content is inappropriate for minors, and appropriate care should be taken to ensure that it is not viewed by anyone under 18 years of age.

Stars of March '10: Vixen bent over for our viewing pleasure; Rose Marie lifted her lingerie so we could see what was going on; and Mandi fingered her 60something ass. Semmie took it hard in *Fuck My Old Ass 3*.

Mandi McGraw is the best in this issue. I only wish we could see her in some XXX action in the mag very soon. I love her old skin and her sexy, wrinkly hands. My question is, are her boobs natural or enhanced? Her breasts are huge but don't have the fake look like most huge breasts.

Vixen was really a great find. I get an instant boner from the sight of her bending down on page 37. I really like her gray hair (hopefully, more models learn from this). Her tattoo on her breast is really hot. Next time, please have her doing more of an ass layout.

Katia's new layout was twice as good as the last. I'm so happy to see her with a guy than with a girl when I saw her last at 50PlusMILFs.com. She could be the new Georgette just by the sight of her hands! Please get a four-some for this classy woman very soon.

Semmie looks totally fine, and her

wrinkly hand is very nice on page 55. Please add more pics of the girls and their wrinkly hands.

Rose Marie's pink lingerie looks nice, and we get to see more of her really big tits. Her tits don't look fake at all. Rosemary is one of the best new MILFs you gave us for 2009.—D.A., Fort Stockton, Texas

Dear D.A.: We didn't ask Mandi if her breasts are real or enhanced. We're willing to ask a woman her age but not if her tits are real! Sorry.

YEAH, WE READ YOUR LETTERS. EVERY WORD!

Dear 40Something,

I was pleasantly surprised to buy your March '10 issue and find my letter printed and the picture of Dee Dee Derian I requested. You have a reader for life. I never thought magazines actually opened fan letters, let alone

read them. I was pleasantly surprised you went the extra mile and fulfilled my Dee Dee Derian fantasy. Please feature more photos of her in those boots.

Mandi McGraw and Demi LaRue are excellent finds. I especially loved the first page of Demi's layout where she lifts her dress partly to show that she has no panties on. Nice to see Rose Marie again, too. She finally took off her pantyhose.

How about a return visit for Jerrika Michaels? Any chance of seeing Marilyn Chambers, Lexi Carrington, Nina Hartley or Edy Williams in *40Something*? How about more fishnets and pantyhose and less stockings and garter belts? Stockings and garter belts remind me of my grandfather's porn and should only be in fovey magazines like *Playboy* and *Penthouse*. Also, no hairy bushes, please.—S.D., Frederick, Maryland

Dear S.D.: Nina Hartley was featured in the February '05 and August '05 issues of 40Something. Lexi Carrington is definitely someone we'll consider. As for Edy Williams, are you referring to the mainstream actress? If you are, we weren't aware that she posed nude. And Marilyn Chambers, one of the greatest American porn actresses ever, died in April 2009.

WE DON'T HAVE TO TELL THEM. YOU JUST DID!

Dear 40Something,

Please tell Lake Russell, Kelly Leigh and Julia Butt that they are the most beautiful women on Earth, and tell them that they have the most beautiful feet I have ever seen. And please tell them that I am their No. 1 fan. I would love to see Julia in a gang bang.—R.A., Pensacola, Florida

WANTED: MILFS WITH FAKE TITS EVERY MONTH

Dear 40Something,

For years I've been an avid reader of *40Something*, and I truly enjoy the hot, sexy 40-plus women with boob jobs. My first complaint is that I wish you would print *40Something* every month.

My second complaint is that I'm beginning to see a lot more video excerpts in the magazine. It's becoming too much. I feel like I am buying video stills on paper. If I wanted to see the models in the magazine do hardcore, then I would go to your web pages.

P.S.: When is Christy Cougar going to do hardcore?—Derek, address withheld

Dear Derek: We're not sure what you mean by video excerpts. The pictorials in 40Something were all shot for the magazine and are never screen captures from DVDs. We do feature a "DVD Pick" every issue, but the pictures in that feature are also shot on still cameras.

As for Christy, we keep asking her to fuck on camera, but she keeps saying no!

SPICE THINGS UP WITH CUNT-LICKING COUGARS

Dear 40Something,

Would it be possible to publish some photos of Marie from Dec. '05 and Jan. '06? She looks so hot with a cock in her pussy all the way up to the balls. It was great to see Chennin and Liz licking each other's tongues in the March '10 issue. These two are my favorite 40Something models.

It would be great to see them do a full lezzie photo layout with a lot of pussy juices on their tongues and lips. It would be great to see Liz really sucking hard on Chennin's hot-looking nipples and pussy lips. And Chennin sucking on Liz's tits when they hang straight down. Liz always looks so hot sucking cock with her tits hanging

continued on page 18

Marie made a lot of fans when she hopped on top of a cock.

Danielle

Birthday: February 12, 1961
Age: 49 **Height:** 5'4"
Weight: 106 lbs.
Lives: Central Florida
Occupation: Marketing
Status: Divorced

"I love the chase and being caught," said 49-year-old, twice-divorced Danielle Reage, who looks like she could be one of the mothers in those black and white TV shows from the 1950s (or an office girl in the current TV show *Mad Men*). "It doesn't matter where the chase is taking place. On the beach. In a club. But it always ends up with sex!"

Danielle loved the idea of posing for *40Something* because "it's the last thing most people would expect me to do, especially with how I dress. People say I'm a conservative dresser, but I think the way women dressed in the '50s was very sexy. They wore tight skirts, tight tops and tight sweaters. Bullet bras, stockings and garters. It's all very sexual, and it makes me feel sexy."

Danielle's taste in clothing might be old-fashioned (in a very good way), but her taste in—ahem—under-apparel is definitely very modern (in a very good way, too). "You're talking about my pussy jewelry?" she said. "I love it. Men love it, too, and they're always surprised when they see it for the first time. You could say I did it to get a rise out of my men!"

Another way in which Danielle is old-fashioned: "I lost my virginity on my first wedding night. I was 21 years old!" And another way in which she isn't: "On my second trip to Japan, my man had me in light bondage on the dance floor, then in a big public area, he bent me over to fuck my ass while people watched. I don't think they do *that* on *Mad Men*!"

Tara White

"Guys say my
ass is
amazing.
What do
you think?"

INTERVIEW BY DAVE ROSENBAUM

Tara White was born in Chile, but she's very much a Miami Beach kind of woman. She keeps herself in great shape. She's a sexy, stylish dresser. She likes to do wild things. And she has the kind of ass that can get her into any club in South Beach.

"I have to look hot," this 43-year-old said. "If you don't look hot on South Beach, you don't get into the clubs."

And if you don't look hot, you don't get into 40Something. Tara is smokin'.

40SOMETHING: Welcome to 40Something, Tara. Now, you're from Chile, right?

TARA: I was born in Chile, but I live in South Beach. I've been all over.

40SOMETHING: Are you married?

TARA: Yes, and I have two children.

40SOMETHING: How long have you been married?

TARA: Five years.

40SOMETHING: So, what brought you to 40Something?

TARA: Truth be told, things are not great in my marriage, and taking care of kids when you're a single mom is really complicated. Kids need so many things. So I'm here for the economics and I'm here for the fun, too.

40SOMETHING: So you're getting divorced?

TARA: Yes, absolutely.

40SOMETHING: How did you find out that there were magazines and websites that are for women over 40?

TARA: The thing is, I didn't. I didn't know until I started doing it. A friend told me about it.

40SOMETHING: Were you surprised?

TARA: Surprised in what way? In how nice the people are? In how beautiful The SCORE Group is? Absolutely! I've been so surprised with how friendly, nice and cool people are. It's incredible.

40SOMETHING: Had you ever thought about posing before now?

TARA: Not really. It's something that came up and I thought, "Can I do it?" Because you don't know if you can do it until you're there because it's pretty surreal. [Laughs] So I just went ahead and tried, and I can do it.

40SOMETHING: And we saw you doing it at 40SomethingMag.com, meaning

have sex. Do you like it?

TARA: Yes. *[Laughs]* Absolutely! It's cool. I get to have sex with guys who really know how to have sex, not last five minutes, and it's fun.

40SOMETHING: Five minutes? Are you referring to your husband?

TARA: Shhhhh! *[Laughs]* It's great, and it's a very safe environment. It's contrary to what I would have thought.

40SOMETHING: Would you consider yourself to be a very sexual person?

TARA: No, just medium. Average.

40SOMETHING: You don't go around needing it all the time?

TARA: It depends. There are cycles, but for me, it's more about who I'm having sex with than the urge to have sex. The person I'm having sex with is more important than "Oh, my God, I've gotta get laid!" I'm not really like that. I know girls who are like that. They say, "I have to get laid tonight," and they don't care. That's not me.

40SOMETHING: But you enjoy sex?

TARA: Oh, yeah! *[Laughs]*

40SOMETHING: You're not a swinger?

TARA: No. I never have been. It's an experience to have.

40SOMETHING: Is it?

TARA: I don't know. You're mentioning it, aren't you? It's an experience I need to have. Like you go into a bar with someone and you walk out of the bar with someone else, right? Or everybody gets together? No, that's not something I've done. I've never been in an orgy, either. I'm missing out!

40SOMETHING: So you're not a woman who turned 40 and started going wild.

TARA: Oh, no, no, no. Not at all. But things were going bad with my marriage, and maybe that's a perfect excuse to start going wild. But I just don't go out and have sex like that.

40SOMETHING: What's the wildest thing you've ever done sexually?

TARA: Well, one time I left the keys under my mat at home so my boyfriend could come by when I was asleep. But I don't think that was the wildest. I think it would have to involve a couple of other people and driving with the top down and taking off my clothes and having them fly through the car and having sex in the car while the car was moving with one person driving, and I was in the back with two other people.

40SOMETHING: And the top was down?

TARA: Well, not really. The car had a

sun roof.

40SOMETHING: Where were you when this happened?

TARA: In Chile. This was a long time ago. I was in my 20s. [Laughs]

40SOMETHING: A guy was driving?

TARA: A girl was driving, and I was in the backseat, sticking out of the sun roof and throwing my clothes out, and I was with the two guys in the back after I got rid of my clothes. That was the wildest thing I've ever done. It was very memorable because looking back I say, "What was I thinking?"

40SOMETHING: Was it fun?

TARA: It was absolutely fantastic.

40SOMETHING: So why don't you do it again?

TARA: The situation has not presented itself. Things just happened. It wasn't planned. It was just the moment.

40SOMETHING: After you had sex, what did you do for clothes?

TARA: I borrowed a shirt from one of the guys. Whatever. That was not the highlight of the thing.

"I once had sex with two guys in the back seat of a moving car!"

40SOMETHING: Was it daytime?

TARA: No, the wee hours. There would have been too much traffic in the daytime. People would have seen us.

40SOMETHING: Were you drunk?

TARA: A little bit. [Laughs]

40SOMETHING: Was one of the guys your boyfriend?

TARA: One of the guys was a huge, hot affair I was having.

40SOMETHING: And the other guy?

TARA: He was with the other girl.

40SOMETHING: She didn't mind?

TARA: No. [Laughs] She was a very open-minded woman. It was all in the spirit of, "Let's be crazy!"

40SOMETHING: So you haven't done anything that crazy since then?

TARA: No, except for this. But this is pretty cool. I don't think it's oh-my-God crazy. The thing is that the level of self-awareness is different. The person I was in my 20s is completely different from the person I am now. There are similarities, but it's not the same.

40SOMETHING: How are you different?

TARA: I'm grown up. I'm way more responsible. I think things through. Now the thing in the car wouldn't happen because there's no way I would be crazy like that. You have to be careful.

40SOMETHING: Would you say you're

more sexually free now or before?

TARA: Now. Absolutely. Because now, I don't feel self-conscious about anything. It's just the moment, and sex is a beautiful thing. I enjoy it because it's going to go away. It's not going to last forever. When I was younger, I was always like, whatever. I could have whatever I wanted in the moment. In reality, that doesn't work. You don't realize how impermanent things are when you're younger.

40SOMETHING: You said you've lived in Chile and Florida. Where else?

TARA: Virginia, Argentina, Venezuela. I haven't lived in really exotic places like Africa. But I love to travel. It's a beautiful thing because you get to figure out how other people live. Traveling opens your mind to how unimportant your daily rituals are. The important part is how you experience your life and how happy you are and how honest you're being every moment.

40SOMETHING: How do you stay in such great shape?

TARA: I box.

40SOMETHING: You box?

TARA: I box. I train in a gym.

40SOMETHING: Do you kick ass?

TARA: I can kick a girl's ass. Some girls' asses because there are some girls in my gym who are very hardcore. It's a boxing gym. I train with mitts, and with three minutes of training with mitts, you're destroyed. It's so intense. I love it.

40SOMETHING: Have you ever gotten into a ring and boxed someone?

TARA: No, not yet. I want to. [Laughs]

40SOMETHING: For how long have you been boxing?

TARA: Two years.

40SOMETHING: How'd you get into it?

TARA: I went to the gym four years ago, and I was smoking back then, and I lasted a month. And then I went two or three years ago when I decided to stop smoking. I trained at home before going to the gym. I had to get in shape before I got in shape. [Laughs]

40SOMETHING: What do you wear when you're boxing?

TARA: Shorts and a little T-shirt. Just regular shorts covering my butt.

40SOMETHING: And the T-shirt?

TARA: It goes down to my waist.

40SOMETHING: So it's not really sexy?

TARA: Oh, it's hot! Because everybody's sweating a lot. You're all wet.

Ann*

Age: 75

Height: 5'4" **Weight:** 128 lbs.

Lives: Sacramento, California

Status: Divorced

Occupation: Manager

Here it is, gentlemen! An historic event in the history of 40Something! We've been hoping to break the 70something barrier for a long time, and this issue, we're not only breaking it... we're crushing it with a 75-year-old naughty nymph who showed up at our studio eager to spread her legs and even more eager to fuck. Meet Sandra Ann, our first 70something!

"My friends think I'm crazy," Sandra Ann said, "but I think they're boring. They sit around all day watching TV while I'm out having sex with sexy young men." Sandra Ann enjoys movies, swimming, gardening, exercising, crocheting and knitting. Her fantasy is to be in an all-black gang bang, and she says her only fetish is sucking cock. She once gave head to a black guy while riding a ferris wheel.

While her friends are out playing shuffleboard, Sandra Ann is satisfying her needs. "I've had many threesomes, usually with married couples," she said. "I love eating pussy and getting fucked. I masturbate all the time. But I've never fucked on camera, and I'm doing that now!"

Yes, Sandra Ann said she's fucking on camera now, as in right now at 50PlusMILFs.com. You have to see her engulf our black stud's thick, nine-inch cock. We asked Lucas how many women have deep-throated him, and he said, "One. Her." Which made Sandra Ann very happy. "I can satisfy a man half my age," she said. "How many 75-year-olds can say that?"

SeXXXty Something

The naughty adventures of a 60something swinger!

By Georgette Parks

Hi, all you horny guys out there! Well, I'm really excited to be back. So many things have been going on in my life since the last time I talked to you.

You may not know it, but I made a video tour for 50PlusMILES.com. I had a great time making it. What was a little unnerving for me was that I had to memorize a script for the tour. That was not the easiest thing for me to do, but somehow, I more or less got the script in my head, and the video came off pretty well. But we had to do take after take before I got it just right. Now I sort of know what real actors and actresses probably go through when they're making a movie!

It was a lot of fun picking out the outfits I was going to wear for the tour. I had four different changes of clothes in all. I understand that the tour is already up and running, and I hope you all get a chance to see it. I had a friend at a party tell me he had seen it, and he was really amazed by how calm and natural I was. If only he knew how nervous I was the whole time! I'd do a take and forget my lines halfway through, and we would have to start all over again and again and again, or so it seemed. But, all in all, it was a great experience. I could probably do a TV commercial now if I was given the

*I'm not always having sex, you know!
Here I am on South Beach in Miami.*

opportunity, although I'm sure that would be a lot different. Believe it or not, I actually got to fuck while giving the tour, so I had to talk seriously while bouncing up and down on a cock.

What else? Well, the swing parties continue as always around here in the Gulf Coast of

Florida. This has to be one of the horniest, swingiest places on Earth! A couple of people I know have a swinging house party every month, and sometimes two in a month. I'm talking about 75 to 80 people in someone's home! Plus, there are the other smaller, more intimate parties of maybe 12 to 24 people. And, of course, sometimes I just have another couple over for some fun, not knowing what's going to happen (but usually knowing that something is going to happen!). Recently, I had another couple, friends of mine, over to my home, and boy did we have a great time! I got to experience another first!

My friends had just been at a sexual weekend retreat and had to tell us all about what happened. There were actually classes on how to be more intimate and sensual. Another class was on showing ladies how to suck cock, if you can believe that. I thought sucking cock just came naturally! At least I never had any lessons, and I think I'm pretty darn good at it. I always thought if you truly liked cock, you'd be good at it. I guess maybe

**“Those girls
you see on
the informercials
on TV never get
to wear outfits
as sexy
as these!”**

I had never been fucked by a woman with a strap-on before this. I enjoyed it, but I definitely enjoy a real, live cock much more. Of course, when my girlfriend was finished fucking my pussy, the guys took out their real cocks and fucked my brains out. My girlfriend got her share of cock, too!

you have to like guys to cum in your mouth and swallow to do a really good job. I don't think that was covered in the session. The swallowing of cum, I mean. There was even a class where another couple actually fucked on stage for everyone. It was really far out, or so my friends said. They didn't come away learning much about sex. They already knew everything that they saw there.

Of course, there are always the vendors trying to sell their wares at any event. My friends had purchased a leather strap-on that they brought with them on this particular evening. Well, I had never had another woman fuck me with a strap-on.

She got into the strap-on, which took quite a while. It was very intricate with all kinds of straps and buckles. It looked very sexy on her. Of course, after she got it on, she had to try it out on me. I happened to be the only female there, by the way. First, she ate my pussy to get me stimulated and excited about this new toy. It didn't take long for me to be ready. Most of the time, I get pretty wet rather quickly. I can't say it was that pleasurable being fucked by a plastic cock, but it certainly was a lot of fun. I'm a gal who likes the real thing, if you know what I mean. And, of course, the guys were watching the whole show and getting hornier by the minute.

When she and I were finished, we decided to put it on my boyfriend to

see what a real cock would look like in this strap on. It looked pretty sexy on him. Of course, by then the guys had to get into the act, since both had hard cocks that were ready to fuck. And they proceeded to fuck our brains out! The guys really got turned on by the strap-on and our show. We all had a great time. Like I said, you never know what's going to happen!

Let's see, what other little adventure has happened in the past two months? Oh, yes, I was at a club dance at a nude resort, having a good time as always. Mind you, I always wear something sexy in a club, but there were a lot of people there dancing completely naked. I wore a very-tight fitting top that showed off my nipples through the fabric and a pair of thong panties. I would never go completely nude, although what I was wearing I could never wear outdoors in public.

Well, at one point, my date went up to the bar to get us some drinks. While he was there, a gal came up to him and asked if the sexy blonde over there was his date. She pointed towards me, and of course my date said, "Yes, she is. Why do you want to know?" The gal proceeded to announce that she and her girlfriend wanted to eat my pussy. Of course, my date said, "Sure, I think we can arrange that." He didn't even ask me what I thought about the whole thing! He knew I would be okay with two strangers eating my pussy.

The two gals invited us back to their

Yes, I definitely prefer cock, but when it comes to having my pussy eaten, I don't discriminate between sexes!

motor home. As soon as introductions were made to their husbands, they proceeded to eat my pussy. All the guys just watched the girls go at me. I must say it was a pretty wild time with two women eating my pussy, sucking my tits and all three of us kissing each other. I get turned on and wet just thinking about it! As you all know, I prefer cock to pussy, but in this case, I was having my pussy eaten out, and I always love that, no matter who or what sex is doing the eating...as long as they do it well, of course!

Before I knew it, the husbands were playing with me, too, and the girls had gone off to the bedroom with my date to frolic around with him. I sucked both husbands' cocks and got fucked in return. We had barely stopped playing when another couple came in, and things got geared up all over again. It turned into a pretty late night—or should I say early morning?—but fun and cum was had by all.

Well, I guess that's it for now, guys. I hope you check out 50PlusMILFS.com. There are several new movies to view of me and a lot of other sexy ladies. And keep writing those letters. I'll try to answer some of them next month. Stay horny.—Georgette

Birthday: Aug. 31, 1961

Age: 48 **Height:** 5'6"

Weight: 138 lbs.

Lives: San Diego, California

Status: Divorced

Occupation: Consultant

So a hot MILF is sitting across from you in your living room. She's dressed sexy but you don't realize just how sexy until she parts her legs. Hey, she's not wearing her panties! Her pussy is completely bare! She's your science tutor, but what are you supposed to do? You just can't concentrate.

Miss Tosh notices that you can't concentrate and asks you why. "Look at what you're wearing," you say. "You're not wearing any panties." "I think you do know this stuff," Miss Tosh replies, "and I think you've been coming here for other reasons. Maybe we can solve your distraction problem by dealing with your horny problem." Horny problem? Now that's a problem Miss Tosh can handle!

In all honesty, we think Tina's been coming here for other reasons, too, like to show off her shaved pussy, suck some cock and get fucked in her pussy and ass. Before you know it, Miss Tosh is wagging her butt in your face and sucking your dick, and then you're

fucking her bald pussy and her ass, too! Piledriving her butthole upside-down until you can't take anymore and explode all over her asshole and pussy. You had no idea that Miss Tosh was such a horny, naughty tutor, although that shaved pussy was a good clue.

You just have to love the way Tina looks right into the camera and spreads her pussy while getting her asshole piledriven. A photo like the one on the left is the kind that makes us love 40something women. If you want to see Tina in moving action, you can check out her scene in the DVD *Cougar Trap 2* (there's a preview on pages 12-17 of this issue). And if you'd like to have her all to yourself, check out *40Something* #196, in which Tina made her debut. Either way, you'll make yourself and Tina very happy. "I had a very good time getting fucked every which way by this young stud," Tina said. "The whole time, I was thinking about all you horny guys at home masturbating to my photos. I hope you're having as much fun as I did." Tina, you can count on it!

Kira

Birthday: May 31, 1968
Age: 42 **Height:** 5'4"
Weight: 118 lbs.
Lives: Miami, Florida
Status: Divorced
Occupation: Sales

"Doing this is exciting," Kira Lynn said. "It's something a woman isn't supposed to do, and I like doing things I'm not supposed to do." It's especially something Asian women aren't supposed to do. You might have noticed that we haven't had many Asian MILFs in *40Something*. We've looked, but Asian women tend to be conservative. Not Kira.

Kira Lynn is a 5'4", 118-pound bundle of fuck toy with a cute little body, a nice ass you can cup in your hands, a mouth for sucking and a pussy for fucking. "The thing about Asian women is that we're unlike Latin women in that we tend to dress conservatively, but we're very much like Latin women in that we put a very high value on pleasing our men in the bedroom," Kira Lynn said. "But unlike a lot of Asian women, I like to please myself, too."

Take a good look at Kira Lynn's pussy. There's something about it that looks... "Tight?" Kira Lynn said, laughing. "A lot of men have said that. A few months ago, a man actually asked me if I was a virgin! Can you believe that! I'm divorced and have kids, and he thought my pussy was that tight! That made me feel good." Kira smiled. "It'll make you feel good, too!"

Julia

With a name like Julia Butt, you'd think the woman would take it up the ass, right? Well, Julia does take it up the butt. Just never on camera...until now. So in this pictorial (and in the new DVD *Chocolate Stuffed MILFs*), Julia finally gets her ass fucked so we can watch.

Born: April 4, 1951 **Age:** 59

Height: 5'2"

Weight: 115 lbs.

Born: West Virginia

Lives: Palm Coast, Florida

Status: Married

Occupation: Executive assistant

Julia's husband accompanied her to this shoot. So while hubby was killing time in Miami, his wife was in our studio getting her mouth, pussy and ass filled with some stranger's big, black cock. For some strange reason, we find that very hot in a very sleazy way. Do you?

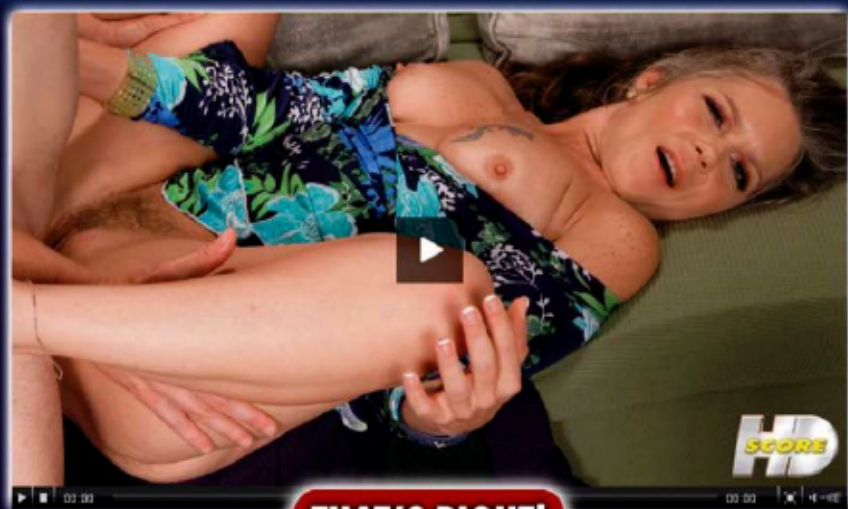

When Julia wants something, she goes for it. In this case, she wants the dude's cock. Her big, tan-lined tits are popping out of her bra, and she asks him, "You like that white pussy?" She takes off her bra and grinds her cunt into his face. Her nipples are rock hard. She pulls down his pants and sucks his dick while rubbing her pussy. She slaps his cock against her tongue and sucks his balls hard, but he can take it. When his cock is ready, he fucks her in every possible position, then Julia opens up her ass for a deep drilling of dick. "I want you to fuck me with that big black dick in my ass," she demands. Not begs. *Demands*. She's Julia Butt. And she knows where that cock belongs.

Tara White Interview

40SOMETHING: I'm trying to picture what you look like when you're done.

TARA: Well, I'm all wet, but I have my hair up in a bandanna. The class lasts an hour, and by the time I'm done, I'm soaked. And the guys are hot. A lot of the girls are hot, too, and the women take off their shirts. Hell, yeah!

40SOMETHING: So when you're done boxing, you're kinda horny, too.

TARA: [Laughs] I don't know. Sometimes I look around and there are a lot of hot bodies there and I'm like, "Oh, yeah! Very nice." But you know how it is. It depends on the day. Sometimes I don't have time to indulge myself with hot bods. But sometimes I do, and I do get turned on.

40SOMETHING: I imagine sex in the ring would be a hot fantasy.

TARA: I would imagine so, too. [Laughs]

40SOMETHING: What else is a hot fantasy for you?

TARA: I've always wondered what a gang bang would be like with me in the middle. I do have some fetishes. I love being blindfolded and tied down. Of course, it has to be with someone I trust.

40SOMETHING: If we were to see you out and about, just shopping at the mall, what would you be wearing?

TARA: Well, we have a problem there because I don't go to the mall. [Laughs]

40SOMETHING: Okay, so where are you going that you can take us?

TARA: I go to Lincoln Road on South Beach. That's where I buy my clothes. Unless I'm going to a club, I look pretty regular. During the day, you'd probably see me in little shorts, flip-flops, a very girl-next-door kind of outfit. I get dressed up either for going to work or going to clubs. I live in South Beach, so if you don't look hot, you don't get into the clubs.

40SOMETHING: Do you go to clubs a lot?

TARA: Not that much, but I do like it. I love to dance.

40SOMETHING: Is that one of your favorite things to do?

TARA: Yes, but my favorite thing to do is go to the beach. I like just relaxing on the sand, drinking a Corona.

40SOMETHING: Now, do you get hit on a lot at the beach?

TARA: [Laughs] Somewhat. I have a friend I go with, and I don't get hit on a

Here's Jessica Sexton, a tiny little piece of ass at just 98 pounds. The kind of woman who you could easily pick up, drop onto your cock and bounce up and down. A fuck toy who loves being overwhelmed by hard, driving cock. But there's more to this story than "married woman shows up at 40Something studio and lives out her forbidden fantasy." Much more.

"I like to try out my daughter's boyfriends," Jessica revealed. "I want to make sure they're good enough for her, so I give them a tryout." What she means is that she wants to make sure that their cocks are good enough for her daughter's 19-year-old pussy. But, incredibly, there's more to this story than that, too.

Like mother, like daughter!

**Hot bodies
are all in the
Sexton family!**

"All my friends say I have the coolest mom, but they don't know how cool she is," said Monica, who's 19. Said Jessica, "My daughter is beautiful, and I'm here showing where she got her good looks from!"

One morning, two women walked into our studio wearing very short dresses and really slutty fuck-me pumps. Were these women friends? Sisters? Well, it turned out that the blonde was the mother and the brunette was the daughter! The mom: 53-year-old Jessica. The daughter: 19-year-old Monica. And the mother, Jessica, was proving once again that some things simply get better with age. "We do everything together, but this is definitely one thing I never thought we'd do together until Monica told me that she was going to Miami to model for *Naughty Neighbors*," Jessica said. "She said, 'Mom, you oughta do it, too,' so I thought about it, sent in my pictures, and here I am. Can you believe it?"

We checked their IDs, but we didn't have to. There's no doubt Jessica and Monica are mother and daughter.

Jessica fucked on camera when she visited our studio. Monica didn't. "I had anal sex and loved it!" Jessica said of her scene at 50PlusMILFs.com. Which makes us wonder about those boyfriends Jessica tries out for her daughter. A lot of them must say, "I think I'll stick with the mom."

We don't mean to brag (although maybe we do), but this has been an amazing issue of *40Something*. So far, we've had an Asian MILF, a 75-year-old, a gal who's pushing 60 getting ass-fucked by a black cock and a mother-daughter combo. And now we have Elektra, a former porn star who has something for everyone.

Elektra

Born: December 25, 1965
Age: 44 **Height:** 5'6"
Weight: 144 lbs.
Born: Connecticut
Lives: Fort Lauderdale, Florida
Status: Divorced
Occupation: Web cam model

For the big-tit lovers, Elektra has DD-cups. For those of you who love hairy pussies, Elektra has a full, overflowing bush. For those of you who love big pussy lips, Elektra has pliable ones that she loves to tug on and twist. She has an engorged clit, too. "Don't forget my ass," she said. "I love getting it fucked."

A woman with dark, wavy hair and heavy makeup, including dark eye makeup and bright pink lipstick, is lying on a red surface. She is looking towards the camera with a slight smile. Her right hand is resting on her left breast, and her left hand is resting on her right breast. She is wearing a silver bracelet on her left wrist and a large hoop earring on her left ear. A tattoo is visible on her left shoulder. A text box is overlaid on the image, containing a quote from Elektra.

Elektra usually doesn't wear panties, but she did for us because we wanted to see her pussy hair overflowing her G-string. If you're ever with her and want to satisfy her, go down and eat that hairy pussy. "It's my favorite thing to have done to me," she said. "That might sound boring, but I've lived out all my fantasies. Two girls, three girls, gang bangs, interracial. I've even been in a movie with Nina Hartley."

Yes, Elektra did say that she's been in a porn movie with Nina Hartley. Back in the 1990s, she also got fucked on camera by Ron Jeremy. So if you're wondering about the answer to the question we always ask, "Why did you pose for *40Something*?" it's simple. "Because it meant I'd also get to fuck on camera, and there's nothing I love more. It really excites me to know that men are watching me get off!" So after you're finished with these pics, check out Elektra's hardcore scene at 40SomethingMag.com. Do it for her.

lot, but she gets hit on a lot because she is just tremendously hot. When we go out together, it's just ridiculous.

40SOMETHING: She's hotter than you?

TARA: Oh, absolutely!

40SOMETHING: I don't believe it.

TARA: She is. You haven't met her. She's pretty hot. But she's not over 40. She's only 26.

40SOMETHING: What are you doing with a 26-year-old?

TARA: Having a blast! She's a single mom, too. It's perfect.

40SOMETHING: She's 26 and you're 43. Is there a difference in the type of guys that hit on you?

TARA: See, guys are funny that way. Most of the time, I get the impression that they're after whatever they can get their hands on, so they hit on me, they hit on her, but who knows what they want? They want to get laid, but the guys who I would connect with

are definitely different from the ones she connects with. She likes Latin men. I prefer white boys or black guys.

40SOMETHING: Why?

TARA: Because I know Latin men. [Laughs] I can take only so many "Mamacitas." [Laughs] But I like guys who know what they want. I'm totally turned on by guys who know what they want, and they know how to get it. And I don't like kids. I like older guys

dated, although it wasn't really dating because he was married...

40SOMETHING: One second. Were you married at the time?

TARA: No, but he was. And he was 55, 56. He was hot. This was back in Chile.

40SOMETHING: A lot of things happened to you in Chile.

TARA: [Laughs] Yes. I have family there, so I go back all the time. Me and this guy went out for two, three months,

and then I said, "That's it. I don't want to go out with a married man anymore." But we had a good time.

40SOMETHING: Did he look his age?

TARA: Yes! He had white hair, white beard, not a hot body, but he was so fucking cool. He was fun. He was excellent in bed.

40SOMETHING: So you don't care about looks?

TARA: I do care about looks, but I think that the energy a person has and how interesting he is is what really matters. Being hot, that only lasts for a while. I mean, I like looking good because I really like exercising. But don't get me

"I've always wondered what a gang bang would be like with me in the middle."

because older guys know their shit.

40SOMETHING: What's older?

TARA: My age and on.

wrong. I haven't just had older men. I've had younger men, too. When I was 31 or 32, I had sex with an 18-year-old. I went snowboarding, and he was my snowboarding instructor.

40SOMETHING: How'd that happen?

TARA: I was taking lessons with another guy, and he said, "You shouldn't be taking lessons with him. You should be taking lessons with me." And that was that. One thing led to another. I have to tell you, that was physical to the max, and he could really snowboard. And anybody who could do those kind of tricks on a snowboard has to have everything so well put together. [Laughs]

TARA: He did. I never make the first move. He's gotta make the first move.

TARA: No, not right away. I had to see how I felt because it's definitely different when you're the older person.

TARA: I like reading. I have a cat. I like pets. I grew up taking ballet classes. I like dancing. And you know what else I like? Driving fast. I know it's not a good thing, but I really like that.

40SOMETHING: How fast?

TARA: One hundred, 120 miles per hour.

40SOMETHING: In Miami? Where?

TARA: On the highway. Three, four in the morning.

40SOMETHING: Have you ever gotten pulled over?

TARA: I've only gotten pulled over once. Can you believe it? I got out of it. I have a little Beetle convertible, and you wouldn't believe how fast those things can go. But the time I got pulled over, I got out of the ticket.

40SOMETHING: No surprise there. Hot women always get out of tickets. So here you are, Tara. You're modeling for 40Something. Do you want to keep on doing it.

TARA: Oh, yes, if you'll have me.

40SOMETHING: Tara, we'll have you any times you want. I mean, look at the body on you, and you're beautiful. Let me ask you this: What's the best part of your body?

TARA: Seriously? [Laughs] My ass. My ass is amazing! [Laughs] That's what guys tell me. I'm 43, and guys tell me my ass is amazing. I like that.

40SOMETHING: The rest of you is amazing, too! Thanks for being here, Tara.

Ruby

Birthday: August 14, 1969
Age: 40 **Height:** 5'7"
Weight: 138 lbs.
Lives: Atlanta, Georgia
Occupation: Production
Status: Divorced

Ruby Thompson was a big hit when she debuted in the March '10 issue. There's something about sexy MILFs with knowing faces and thick pussy lips. "I love to touch myself while thinking about a hard cock in my mouth or my hot pussy," Ruby said. Now, she invites you to touch yourself while watching her show what she can do with a cock.

At 40SomethingMag.com, you can hear Ruby introducing her video with her sexy, Southern accent. There's nothing demure about this Southern belle. "I just love to have my pussy fucked, almost as much as sucking a dick," she says. "I just love to slobber on it so it's dripping down on your balls. I betcha y'all would enjoy that!"

Ruby sucks and fucks like a wild woman. She gags on the dude's cock, then opens wide to give us a between-the-legs view of him slamming her pussy in the missionary position. His cock practically splits her in half while her asshole puckers. The guy fucks her like he's trying to break the bed *and* her pussy, then does the same to her ass. "Fuck me hard," she says. "I can take it."

Shy, demure Southern belle? No way! While Ruby is upside down, getting her ass hammered, she spreads her already-gaping pussy wider, then looks up into the camera. When the guy turns her over and fucks her ass from behind, she looks back at us as if to say, "Look, y'all! I'm a Southern MILF slut, and I'm getting a dick in my tight ass so you can jack." But she's not doing it just for us. "I don't do anything I don't enjoy," she said. "And I really enjoyed getting fucked in my ass while you watched!"
